This week has been a fabulous week for Mrs Anne Daikin. She has had a grand farewell. At the assembly, the School Captains presented her with a class book and sang her a very entertaining rapp.

Here is a sample of the comments from the book....

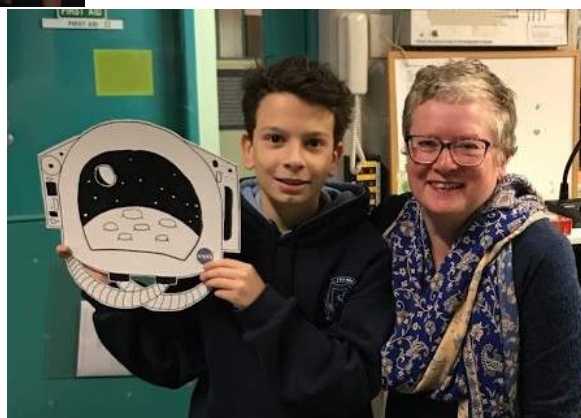

It has been a hoot having you! Thanks for all your hard work. We hope you had a great time at IPS!!
We are going to miss your smiling face and announcements that makes us giggle
Things to do on your retirement ...shopping, buy a pet, gardening, hiking..
Thanks for always being there for someone who has not been feeling well
Anne is always on fire, She's never a liar, She's always polite...
Good luck and have fun

from the rapp....

Anne Dakin got the school shaken,
Obviously, we're not mistaken.
Doing good deeds for students in need,
Even if they're mean she'll still proceed.

Every first aid ordeal got everyone to kneel,
Because her skills were so unreal which earned her a lot of appeal.
Devoted to your profession,
Now about that there isn't a question,
In fact there is no person who has your generosity or complexion....

Today many students dressed up in something starting with A.

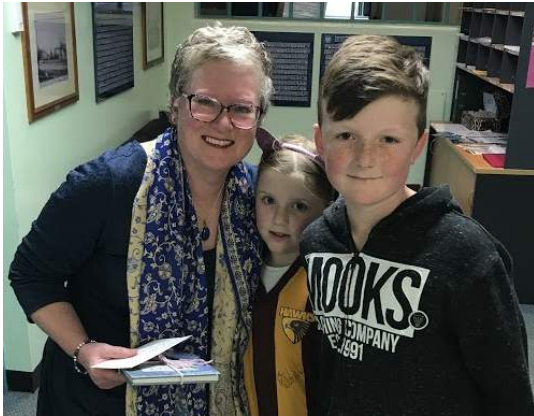

Anne being serenaded by Steve “Andrea Bocelli” Villani.

Thankyou to all those parents and staff who attend Anne’s farewell community morning tea.
I wish you all a happy and safe school break.

Regards
Sue Jones

There were many angels, artists, aliens, astronauts and even Audrey Hepburn visiting the school today.

Values: Confidence, Independence, Persistence, Resilience, Respect

CYCLISTS
Parents of students who ride a bicycle to school are asked to reinforce the need for their child to walk with their bicycle in Ailsa Grove. This is a safety rule as there are many pedestrians as well as vehicles turning across the driveway at the end of Ailsa Grove.

VOLUNTEERS
A reminder that all parents should check with their classroom teacher to find out if they require a Working With Children Check.

THANK YOU
I would like to extend my sincere thanks to the school community for their good wishes for my retirement.
I have been overwhelmed by the events planned for the week and feel very humbled indeed.
It has been a wonderful 23 years at IPS and I feel privileged indeed to have worked with such a great staff and be surrounded by amazing students and their families.
Our school environment is unique and one which I shall certainly miss.
Fond regards,
Anne Dakin

DISCO THANKS

The IPS Student Disco was a huge success and would not be possible without the many people that generously volunteered their time. 'Thank you' to the awesome DJ's Simons & Gindidis for a fabulous effort rockin the tunes, to our invaluable 'tech crew dads', Dave, Ian and Terry, the PFA members that organised and supervised as well as the greater school community that stepped forward to lend a hand.

We are very grateful for your help and look forward to another great disco next year!

SPORTS NEWS

BANYULE'S "WALK TO SCHOOL OCTOBER"

Every October, Walk to School encourages Victorian primary school kids to walk, ride or scoot to and from school. It's a great way to help students learn healthy habits and achieve the recommended 60 minutes of physical activity, every day.

Every classroom will have a poster to record the active travel of students each day in October. Students who participate will receive a certificate and stickers upon completion. You could help IPS win great regional prizes and the students will enjoy the benefits of walking, riding and scooting to and from school.

A leaflet of additional information about this initiative will be sent home to all families this week. Let's get active!

LOL!

What happened when the ghost teachers went on strike?
They were replaced by a skeleton staff.

THE HEADS UP ON HEAD WEAR....BEING SUNSMART

All students must wear a wide brimmed hat or a legionnaire style hat in **term four**. The 'No Hat No Play' rule applies over summer. Please ensure your child not only has the required hat each day but their **name is written** clearly on the hat. Baseball type caps are not acceptable Sunsmart headwear.

REST ROOM RENO PROJECT – UPDATE

The project is now complete.

This week - New mirrors have gone in and the murals have gone up and look fantastic. A big thanks to Russ for installing them and Pickawall (www.pickawall.com.au) for supplying them at a much reduced price.

In particular we need to recognise a core group who have been on the project for a month or two.

Cam Harper: replacing light fittings, hand dryers, plastering and then turned up on the weekend to paint.

Russ Polglase: lots of telephone support and prep work with hanging doors and worked the whole weekend. Hanging murals supplied by his wife, Kate's company.

Anna Womersley: Architectural support with lots of ideas, drawings, paint quantities, project plans, engaging the Student Council and worked the whole weekend.

Peter Kallinikos: did a lot of prep work getting the plumbing going, replacing cisterns, repairing roof leaks, servicing all of the taps, unblocking toilets and worked the whole weekend.

Justine Greschke: many hours spent on the interior design and colour scheme, which topped off all of our efforts.

Ivan: painted the floors and supplied the paint.

All the Office Staff who helped with all the organisation, raising orders, paying bills, accepting deliveries, newsletters communications etc.

Plus the huge team of people that turned out on the painting weekend.

Regards,
Glenn Anderson

Grade 3/4 Musical 'WE Are Monsters'

A big thank you to all the grade 3/4 teachers and parents on preparing the costumes for the musical performances yesterday. The children looked fantastic and it made the experience so much more exciting. I thoroughly enjoyed watching the students perform and seeing their hard work come alive with the colourful costumes.

We have had a generous parent record the show for us and we will put it on the server at school for students to download their own copy in due course.

Thank you all for being part of creating a wonderful experience for our students. It demonstrated so many of our school values, namely resilience, persistence, co-operation, creativity and the opportunity for challenging learning.

Anne Murray, Grade 3/4 Music Teacher

We Are Monsters

Congratulations to all years three and four students who performed superbly in the school musical: We Are Monsters. It was amazing! Thanks to Tanya Slaviero- Pascoe who has filmed the event. We hope to provide all year three and four students with a digital copy to keep as a memento.

Thank you to all the parents who attended and a **very big thank you to Mrs Anne Murray** for all her hard work in bringing it together.

Have a relaxing and enjoyable holiday.

Yours in Music,

Marie Morrow

Scones – A great school holiday baking idea

INGREDIENTS: Plain flour, for dusting, 3 cups self-raising flour, 80g butter (chilled and cubed), 1-1 1/4 cups milk, Jam & cream (to serve)

Step 1: Preheat oven to 200°C. Sift self-raising flour into a large bowl.

Step 2: Using your fingertips, rub butter into flour until mixture resembles breadcrumbs.

Step 3: Make a well in the centre. Add 1 cup of milk. Mix with a flat-bladed knife until mixture forms soft dough, adding more milk if required. Turn onto a lightly floured surface. Knead gently until smooth (don't knead dough too much or scones will be tough).

Step 4: Lightly dust a flat baking tray with plain flour.

Step 5: Pat dough into a 2cm-thick round. Using a 5cm round cutter, cut out 12 rounds. Press dough together and cut out remaining 4 rounds. Place scones onto prepared baking tray, 1cm apart. Sprinkle tops with a little plain flour. Bake for 20 to 25 minutes or until golden and well risen. Serve warm with jam and cream.
