From the Principal.

Dear Parents and Community,

Term 1 has flown by. During this time, students have settled in to their new classes, made new friends, built positive relationships and learned a great deal.

As I reflect on the first ten weeks of school, I am heartened to see IPS School Values of Respect, Independence, Confidence, Resilience and Persistence being applied and promoted in the classroom and in the playground.

This term we have asked senior students to step up and assume positions of responsibility and leadership. The most recent being the leadership of the school assembly.

Next Term there will be some significant changes to this newsletter and the students will have a space.

100 Foundation students have settled into school and already are showing a developing maturity.

A large number of parents completed the classroom helper program and we have a few volunteers to help hear our EAL (English as an Additional Language) students read at school.

We still need volunteers to assist in the running of the canteen so if you can help next term please let Jenny or the office staff know. Banking on Tuesday morning's need assistance too.

Remember that drivers on our roads will not all be aware that it is school holidays and that there are children around at times when they would usually be in school so please remind your children to be extra careful when out and about.

Term 1

Friday 5 th April	Last Day Term 1 Finish at 2:30 pm
