From the Principal

Dear School Community

Ivanhoe Primary has hosted a few visitors this week. We welcomed the 2017 Foundation students on their second visit. There were minimal tears on arrival and definitely no tears once students were settled. The Transition program continues to run smoothly due to the thorough planning from the Foundation teachers and feedback given from previous Foundation parents.

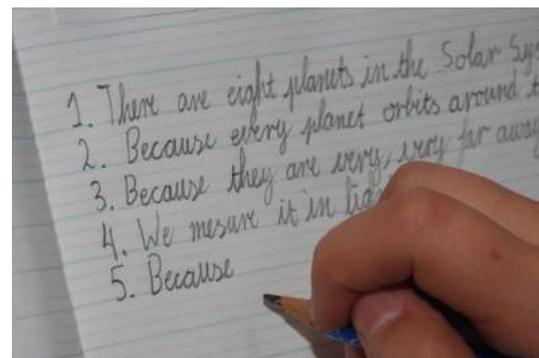

Georgina Pazzi, the digital learning consultant, spent time planning with teachers their programs and organising the 'Innovation day', Friday December 2nd. This will be an exciting and eventful day where parents/guardians, students and teachers can celebrate what has been learnt.

Deakin University is hosting thirteen teachers from Vietnam. They visited IPS to gain a better understanding of educational management at different levels and explore possibilities for adoption and/or adaption of their Australian educational experiences within the context of their future practice in Vietnam. The teachers included Primary and Kindergarten teachers, Assistant Principals, to College teachers.

In and around the school:

The student's in grade 5 are doing science rotations on Space, Light and Energy.

DIARY

- October 17-21** Gr 6 Canberra Camp
- October 20** Bike Ed begins for Grade 4s
- October 31** Curriculum Day—no students at school
- November 10** Out of Uniform Day
- November 16** International Day
- December 5** Prep 2017 Parent Information Night
- December 8** Celebrating 20 Years Strings Concert
- December 15** Grade 6 Graduation/Awards Night
- December 20** Last day of school. 1.30pm dismissal.

The amphitheatre is open for action.

There is plenty of action in the sandpit. The comments where, 'we love the sandpit because we get to dig tunnels and makes lots of things!'

Hope you had a great week.

Regards,
Sue Jones.

Report from Junior School Councillors

On Monday at JSC meeting we addressed the fact that there is a bit of physicality in the yard along with some inappropriate language. This must stop because people's feelings get hurt and they start to feel unsafe. We need to play safe on the playground and speak nicely to each other.

Better news is that there will be an out of school uniform day, 10th November. The money raised will go to refugees.

Ryley & Isla 5S JSC

Dear School Community

As our principal Mark Kent is recovering from orthopaedic foot surgery I thought it important to reiterate from School Council, the School's Plans to cater for future enrolment numbers.

Enrolments trends

By using enrolment trend data and working with The Department of Education and Training (DE&T), our principal Mark Kent and School Council have increased our capacity for enrolment.

Enrolment as of today's date is 601 students.

The School enrolment demand will increase with future developments in Ivanhoe.

Therefore our enrolment capacity in 2017 will need to increase to meet local enrolment catchment pressures.

New Modular 5 Relocatable Class Room

To cater for demand DE&T have allocated to the school a relocatable (mod 5) classroom.

What does it look like?

The building is a brand new single storey structure encompassing two class rooms with a small shared learning space. The exterior paint work is of natural coloration to blend with the environment.

The dimensions are 18 metres by 10 metres. Each perimeter wall must be 3 metres from existing structures.

Where will it go?

The size and requirements of the relocatable have made it extremely difficult to position within the school grounds as there is minimal space for such a large structure.

We understand play space is at a premium but there are limited options.

The new classroom will be positioned on the edge of the school oval facing the small set of stairs leading down from the indigenous garden.

The entrance will face the existing grade 1 and 2 relocatable classrooms.

The area will become a Grade 1 and Grade 2 learning space.

Every effort will be made to maintain all the existing indigenous trees on the edge of the oval.

Toilets

The small relocatable toilet in front of the grade 1 and 2 class rooms is due to be removed by the department. The external hall toilet doors (behind the canteen) will be opened for use at all times. These are very clean and up to date.

School Council will discuss the refurbishment of the existing toilets attached to the main building, at the next School Council Meeting.

\$2 Million Dollar Capital Works

Currently Maddison architects are developing plans that will replace the old Grade 3 relocatables with permanent progressive, modern class rooms.

Council looks forward to sharing the designs with the community. An information night will be held to educate the School Community of the design when it is approved by school council.

Creation of new play spaces

In order to maximise the utilisation of available spaces within the school grounds, the school council and members of the school community have recently applied for an Inclusive Schools Grant to redevelop the space in front of the Grade 1 and 2 classrooms. The Inclusive Schools Fund is a \$20 million fund designed to help make Victoria the Education State, providing Victorian Government schools with quality new spaces and more inclusive facilities, based on best practice research.

With the pending removal of the toilet block from this area we are seeking funding to convert this area and adjoining spaces into an Outdoor Sensory Learning Space. The proposed area for re-development runs from the existing shelter structure to the sandpit at the boundary line. The proposed area will consist of 3 'zones', including a quiet re-engagement space, an Outdoor Classroom which will be available to students during recess and lunch times, and a sensory play area which will provide students with tactile and interactive activities to engage with.

Tracey Cox
School Council President

SPORTS NEWS

NORTHERN METROPOLITAN ATHLETICS CHAMPIONSHIP

WEDNESDAY 12 OCTOBER

Congratulations to the 5 IPS athletes who represented the Banyule Division at the Northern Region Athletics Championship. Roxy P (2 events), Josh C (2 events), Maggie S, Bailey M, Lewis Crompton

Results:

2nd Place

1500M: 11yrG Roxy P

3rd Place

800m: 11yrG Roxy P, Josh C

4th – 8th Place

Discuss: 11yrG Maggie S

Ling Jump: 9/10 B Bailey M

80m Hurdles: 11YR B Lewis C

Roxy will compete at the SSV State Athletics Championship on Monday 24 October – Good luck Roxy!

Josh C with his medal

Enrolments for 2017 are still being accepted at the office. Parents are urged to submit enrolment forms urgently
The third orientation session will be on Thursday 10th November 2016 between 9.30 & 11.00am.

REMAINING CURRICULUM DAYS IN 2016

GATEWAYS JOURNEYS

GATEWAYS are pleased to offer the final Journeys programs for 2016. These are offered at St Thomas t PS in Greensborough or Our Lady PS in Donvale. These programs are designed to provide gifted and talented children with opportunities for challenge and extension with a group of 'like-minded' peers over a four-week period.

Further details of the Term 4 Journey Programs for Years 1, 2, 3, 4, 5 and 6 can be found on the website www.gateways.edu.au or on Ivanhoe Primary Schools notice board.

Please note that fees apply and it is parent's responsibility to transport students to and from the program. If you are interested in enrolling your child in this workshop please contact Miss Clodagh McKimmie (mckimmie.clodagh.j@edumail.vic.gov.au) or Mrs Carol Haycroft (haycroft.carol.c@edumail.vic.gov.au), or alternatively leave your name and your child's name and class with a contact number at the office.

L.O.L!

Why do giraffes have long necks?

Because their feet stink.

Paper order bags are no longer required. Paper bags will be supplied with your child's order. Or, your child's own insulated lunch bag can be sent down in the morning to be filled.

SUN AND UV PROTECTION

Parents are reminded that the school's **SUNSMART** Policy is in operation from 3 October (first day of Term 4). From October until April, or when the Ultra Violet (UV) level reaches 3, it is important to use a combination of sun protection measures to minimise the risk of skin and eye damage, and skin cancer. Students need to wear a wide brimmed hat at school each day this term. Your assistance in ensuring your child has the correct type of hat will be appreciated.

IVANHOE PRIMARY SCHOOL

OUT OF SCHOOL HOURS CARE

24-Hour answering machine service:
9499-5226

Email: iposhc@optusnet.com.au

OUT OF SCHOOL HOURS CARE FEES

The fee schedule for each child per session is:

Before School Care - \$13.00.
After School Care - \$16.00

Early Finish:

1.30pm—3.30pm \$16.00.

COMMUNITY NOTICEBOARD

Items in Community News are subject to space availability. The school does not accept responsibility for any goods or services advertised in this newsletter

BPAY ADVICE

Parents are asked to **advise the office** when paying for school activities by BPay with a quick email to: ivanhoe.ps@edumail.vic.gov.au

This really helps the office staff to allocate the funds to the correct charges.

FUNDRAISER FOR TENNYSON

Our little boy Tennyson is 3 years old and has cerebral palsy. His condition requires all sorts of therapy and various pieces of equipment that aid in his mobility and development. This becomes super costly and we are now at a point where our funds are dwindling. In order to support Tennyson's ongoing needs and give him the best quality of life we have decided to do some fundraising.

SO, we are going to hold a giant jumble sale as part of the annual **Australian 'Garage Sale Trail' on the 22nd of October**. We have been well supported to this point by family, friends and the wider Melbourne community who have generously donated all manner of items to be sold on the day. We have also managed to secure the large community hall at 'Jika Jika Community Centre' in Northcote - they have offered to host our event at no cost in support of our cause.

We have also reached out to various local businesses that we admire to assist up by supplying goods for our sausage sizzle and 'bake sale'.

We really need the local community to get behind us on the day in order to make the event a huge success and give our little guy the best possible opportunities to excel in life. Any support or coverage you could give us would be much appreciated. We've never done anything like this before so not sure how it all works, however being a member of the local community I thought I should at least get in touch.

Thankyou for taking the time to read this and giving it your consideration.

Regards,

Lyn Masters

This is our little Tenny
