### From the Principal

Dear Ivanhoe Primary School Community,

#### **Making meaning of our School Values:** (for children and adults)

Confidence, Independence, Persistence, Resilience, Respect. These are our school values.

**Confidence** Have the confidence to question knowing that you will be listened to.

**Independence** Knowing that you can complete the task on your own if required.

**Persistence** is not giving up on the first go and trying again and doing your best.

**Resilience** is being able to “bounce back” if something doesn't go your way.

**Respect** Showing Respect can mean not calling people mean names, treating people with courtesy and caring enough about yourself that you don't do things that can hurt you.

**The writing traits:**(upper grades) what students learning and what to look for and talk about.

**Ideas** ~ the content, theme and message.

**Organisation** ~ the structure of the writing.

**Voice** ~ the personal tone that brings writing to life.

**Word Choice** ~ the vocabulary used to convey meaning.

**Sentence Fluency** ~ the rhythm and flow of the writing.

**Conventions** ~ the correct spelling, punctuation, capitalisation and grammar.

**Presentation** ~ the overall look of your writing.

**VCOP:**(Foundation to Year 4) what students learning and what to look for and talk about.

### What is VCOP?

VCOP is a writing program that our school is using from Foundation– Grade 4.

Each letter stands for an aspect of writing that will help students to improve and develop their writing skills in every subject.

- V** - Vocabulary
- C** - Connectives
- O** - Openers
- P** - Punctuation

Figure 2:Foundation

### Purpose

Also important ~ having our students engage in real life situations so they are using maths, science and

## LOST PROPERTY

Parents are urged to check the lost property area, near the office, as often as possible.

Any unnamed, non school items will be sent to charity.

Unnamed school clothing will be recycled through the Second Uniform Shop.

### DIARY

March 17	St Patricks Day Recess and lunch
March 23	JSC (gold coin) Out of Uniform Day
March 29-31	Grade 4 Camp to Phillip Island
March 30	IPS Mini Battle of the Bands
March 30	Yr 5 Musical Soiree, 7pm
March 31	End of Term 1. 2.30pm dismissal
April 18	Start of Term 2
April 24	ANZAC Day Service 9am
May 6	Mad Hatters Ball!

literacy is key to learning and engagement. When we see a purpose in. and a meaning for, what we do we are far more likely to give it our best.

Likewise, when we are curious our interest is aroused and we are more likely to stay on task and see it through.

School tests and assessment help us to understand what we are doing well and where we can improve.

I believe human nature is for all of us to want to be the best we can be. Our work as parents and educators is to encourage and to nurture this. Where there is misunderstanding correct it and where there is effort to be praised don't miss it. Look for opportunities to get involved and positively impact on the wellbeing and learning of every child. School is a long road but it needn't be a tedious journey.

### **Parent helpers Program: 55 parent enrolments.**

A record 55 parents have enrolled in the classroom parent helpers program run by our fabulous teachers Sara Davies, Sarah Murphy, Yvette Gindidis and Caroline Long. Helpers attend two mandatory training sessions at the beginning of the school day and or in the evening. A great example of a community partnership that benefits every student.

### **Funding – an explanation of how it works and what it means**

Section C is a Voluntary Contribution

The School is continuing to grow, and the Department of Education has indicated significant capital works will be invested in the School in the years ahead. However, while the bricks and mortar are funded by the Department, the School is inevitably faced with a great many on costs and general modernisation expenses which eat into our already stretched budget. Your voluntary contribution to the modernisation of our teaching spaces enables us to provide the type of dynamic facilities that delivers improved educational outcomes for your children.

While voluntary, funds raised are essential to help the School's local budget.

Section B - Parent Funded Essential Classroom Requisites

This amount also includes a parent co-contribution towards the employment of a **first aid / sick bay officer**. As well as a mandatory school charge for items including classroom books, instruments, computer printing, internet access and various developmental learning materials that enhance the learning program. This is a fundamental component of the school's overall funding and without it many resources and facilities would not exist at the school.

Consideration of hardship

Parents experiencing hardship related difficulties in making payments should contact the principal of the school in order to discretely organise special payment arrangements and support.

The full Parent Payment Policy is on the school website under the tabs *School* then *Policies*.

### **Foundation Students go fulltime**

Just a reminder that Foundation classes attend 5 days a week beginning Monday 20th March (next week).

### **Fair Meeting**

On Wednesday evening the Fair Team met in the Multi-Purpose room and established the Committee that will manage the planning. It was great to see so many turn out to get involved but we still are going to need families to make it the success it has been in previous years.

The Fair Committee will reach out soon to organise potential Stall Holders and class reps.

A Stall meeting will be organised for early next term.

## Out of Hours School Care (OHSC)

The OHSC Committee met Wednesday night and are working on their Quality Improvement Program. The OHSC team is always looking at ways to engage with the community and are planning to display and rotate profiles of the staff so you know who you are saying hello to.

### Traffic at pick up and drop off

One morning this week around drop off time a car pulled up outside my office window in the no standing zone closely followed by a second vehicle who then tooted vigorously with no effect before passing and glaring at the first driver. What was apparent to me was the faces of the children in both cars. After the drivers have gone those children will be in the same school yard all day ~ I wonder what they thought? We work hard to instil the right messages that can be easily undone. Please exercise extreme caution.

### Sunsmart

Please remember: all students must wear a wide brimmed hat in Term 1.

The **'No Hat No Play'** rule applies this term. Please ensure your child not only has the required hat each day but their name is written clearly on the hat. **Baseball type caps are not acceptable.** Your assistance in ensuring your child has the correct type of hat will be appreciated.

Welcome to Ivanhoe Primary School.

Mark Kent  
Principal

#### CHILD SAFETY: Protecting children from abuse is our responsibility.

*Ivanhoe Primary is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making.*

*Ivanhoe Primary has zero tolerance for child abuse.*

*Ivanhoe Primary is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability.*

*Every person involved in Ivanhoe Primary has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.*

**RIDE TO  
SCHOOL  
TOMORROW,  
FRIDAY 17th  
MARCH**

SCHOLASTIC BOOK CLUB issue 2

All orders must be back to the library by  
Monday 20th March

Please make sure the correct money  
accompanies the order.

**Get your Shamrock on!**

It's St Patrick's Day in the canteen!

On Friday 17<sup>th</sup> March at morning recess the canteen is going GREEN to celebrate the Irish in all of us.

Bring your spare change and gold coins down for green treats, including Marshmallow Squares, Green Jelly Cups, Leprechaun milk, and a myriad of other special treats! YUM!!!!

AND there'll also be a special **HOT LUNCH** option of an Irish Flag pasta – green and white tortellini with an orange tasty sauce. **Check online and order to not miss out!**

Always avoided Hot Cross Buns because you didn't like them with fruit?

Found them wasted on the kids 'cos they rejected them as soon as they saw the sultanas or orange peel?

Problem solved!!

Buy some delicious NO FRUIT buns in the PFA Hot Cross Bun drive! There are 4 fantastic flavours available through Bakers' Delight – 3 with no fruit at all, 1 with apple (so not as visible!).

**Choose from:**

- **Chocolate Chip**
- **Mocha**
- **Fruitless**
- **Apple & Cinnamon**

Hard to decide, isn't it!?

All of these, along with traditional buns, are available through the form sent home with your children last Friday. These are due, with CASH payment by Friday 24th March to guarantee we get them before the end of term. Any orders received after 10am on this date **WILL** miss out.

If you didn't receive a form, you can grab one at the school office. Or email Cathryn on [climbatree1@gmail.com](mailto:climbatree1@gmail.com) for more information.

Tasty treats AND money for great school programs – wins all around...

*Bakers' Delight*  
We're for real.

## Music

It has been a fabulous start to the year in music. I am so impressed with the way students have organised themselves around timetables, rehearsals and practice.

#### I.P.S. Mini Battle of the Bands

Students in year five bands and the lunch time Year Six Band will be competing in a **Mini Battle of the Bands competition on Thursday 30<sup>th</sup> of March.**

Time: 2.40 – 3.30pm

Venue: School Hall

#### Year Five Musical Soiree

**Thursday 30<sup>th</sup> March**

Following Battle of the Bands there will be an evening soiree featuring bands, duets, individual performances and ensembles.

The concert will start at 7pm and conclude at 8pm in the School Hall.

#### Friends of Music Meeting

Parents who want to support these performances and who wish to find out more about our music program, are cordially invited to come along to our first Friends of Music meeting.

When: **Thursday 23rd March**

Time: 7pm

Venue: Foyer in the hall.

Please note in your diary as I need every student to attend and support their class.

Yours in Music

Marie Morrow

### Learn music here at school

Come and join in the fun of learning to play keyboard, guitar, here at Ivanhoe Primary School.

Creative Music for Schools conducts a music program here at school each week.

Small group classes or one-to-one lessons of up to 30 minutes give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from \$16.20 per lesson and enrolments are now being accepted for limited places in term 1, 2017.

Interested parents should call Sharon during office hours on 9818 2333 or email [sharon@creativemusic.com.au](mailto:sharon@creativemusic.com.au)

## Losing Weight is a Science. Keeping it off is a Psychology

Combine the science of eating water rich foods with the psychology of choosing to eat appropriate foods, and you are on the road to maintaining your weight.

For many people, losing weight seems to be a life-long process. Dieting and following new fads on television and in magazines is a lifestyle for some people, rather than a short means-to-an-end. This is because many don't understand the science behind losing weight.

Think of your body as a machine and the process of losing-weight will become a lot easier to understand. It is a game of science and maths. Here's the good news - you naturally burn energy by simply existing. A day spent sat at a desk still requires energy - not as much of course, but you still burn a set amount of calories.

Eating smart, not eating less is the key to losing weight and keeping it off. It's all in your head. Being motivated to stick to a healthy diet is what drives results. Eating low in calorie density foods that are rich in water, such as vegetables and fruit, promotes healthy weight loss and prevents chronic illnesses. It also helps people control their hunger. They're eating more, but actually less in terms of calories. What they learn is to make appropriate food choices for a low in calorie density diet.

So really, by simply knowing and controlling what you put into your mouth is going to make losing weight an achievable task. The science is eating low in calorie density foods. The psychology is choosing to make smart food choices and sticking to it. And that's it! Combine the two rules and you're set for a healthy diet.

### HOLIDAY PROGRAM WITH CODERSPACE

Over the school holiday period, Coderspace will run beginner and advanced school holiday programs for students in grade 3-7.

Coderspace was created to teach students computer programming through building a fun and unique game using a simplified software. Coderspace believes that by encouraging students to program at a younger age they are able to develop better logical, computational and abstract thinking. Programming also renders a platform where students are able to express their creativity.

Coderspace will run the program at both the Ridgeway and Plenty Campuses of Ivanhoe Grammar School. Spaces are limited to 20 students to ensure a quality experience. For more information, please go to [www.Coderspace.com.au](http://www.Coderspace.com.au).
