From the Principal

Dear Ivanhoe Primary School Community,

Behaviour

Providing students with both direct and indirect strategies they can use when finding themselves witness to rough or unkind behaviours is the most effective step a school can take in working to eliminate them from the learning environment. One of our goals is to create a safe learning environment as free as possible from anti-social behaviours.

The vast majority of students at Ivanhoe Primary School **do not** treat their peers unkindly, are very fair and want just as much as teachers and parents do to create a safe play and learning environment.

However sometimes children can get caught up in situations by indirectly supporting group actions which, although seemingly minor, can result in unexpected consequences. This is called bystander behaviour.

At school when occasional issues arise, we talk to the students to endeavor to develop deeper understandings around cause and effect and logical consequences. Individually and in groups, we try to help children understand that **there is always something a bystander can do** when students see unkind or bullying type behaviours.

By taking the time to listen to and talk together students grow to understand why poor behaviour may occur and the knowledge that children who believe it is NOT OK are far from alone in feeling this way.

Ivanhoe Primary School provides a positive, vibrant and inspiring environment where students are valued and encouraged to succeed in becoming life-long learners.

We value : Confidence, Independence, Persistence, Resilience, Respect

By using our high five strategies and letting the teacher know if we're not feeling safe we can focus on positive behaviours that improve the quality of life at school for every student.

As some of our musicians are unable to play on our Open Morning there will be two opportunities to hear them all in the coming weeks.

The Corelli Strings will be playing at Assembly on May 29th.

Orchestra will be playing at Assembly on June 5th.

Education Week (May 21st – 27th) and Open Morning (May 24th)

Open Morning is on Wednesday May 24th from 9.30am through 11am and our students will lead tours through the school. Some of our musicians will be playing at 10am in the hall and you are welcome to quietly go into any classroom and chat with our students about their learning. Please report to the office on arrival to sign in.

Digital Learning Technologies

Our Open Morning will also showcase some of the classroom DLTs to the public and families. Many of these activities are only made possible with the generous support of the school community via the digital learning technologies co-contribution which can be made through COMPASS or the school office or at this link [Pay Now / Click here](#)

Restroom Reno Project – plea for help.

The small sub-committee will coordinate design, gain quotes, manage the contractors, make a recommendation to school council, coordinate construction times with the school etc. Please contact Glenn Anderson on g_anderson@iinet.net.au or ph. 0434 781 829.

I would like to thank the whole Ivanhoe Primary School community for making me feel so welcome. I already feel part of the 'family'! I have had a fabulous first two weeks as Acting Assistant Principal whilst Sue Jones takes long service leave and I am excited about the remainder of the term which promises to be an exciting and event-packed one!

Just to give you a little background... I'm the Assistant Principal at Thomastown West Primary School and have had experience teaching across all education sectors from Primary, Secondary, and TAFE to University. I have taught for more years than I'm willing to admit to publically ☺. For those who have been to assembly and heard my 'interesting' accent, you will know that I am originally from England. The students have been very curious and had fun trying to guess where I am from. I've been here for 17 years but haven't lost my strong Manchester accent nor my allegiances to Manchester City Football Club (that's soccer to Aussies!)

I am really relishing the opportunity to be part of the leadership team here at Ivanhoe Primary School.

As I have visited classrooms over the fortnight, I've observed:

- Students who are respectful, confident, curious, focused and engaged with their learning.
- Professional, caring and dedicated staff who are committed to continuous improvement.
- A positive, vibrant and inspiring school environment.

I feel privileged to be here and hope that I can use my expertise in STEM (Science, Technology, Engineering and Maths) to contribute towards supporting Ivanhoe Primary School students to become curious, reflective, critical-thinking global citizens.

If you haven't had a chance yet, please come and say hello! I'd really love to meet you.

Tomorrow is National Walk Safely to School day, so a very special day.

Now in its 18th year, National Walk Safely to School Day (WSTSD) is an annual event when all Primary School children will be encouraged to walk and commute safely to school. It is a

Community Event seeking to promote Road Safety, Health, Public Transport and the Environment.

All information can found at: walk.com.au

The event will be held throughout Australia on Friday 19 May 2017

The objectives of WSTSD are:

- To encourage parents and carers to walk to school with primary school age children and reinforce safe pedestrian behaviour.
- To promote the health benefits of walking and help create regular walking habits at an early age.
- To ensure that children up to 10 years old hold an adult's hand when crossing the road.
- To help children develop the vital road-crossing skills they will need as they become mature pedestrians.
- To reduce the car dependency habits that are being created at an early age and which will be difficult to change as children become adults.
- To promote the use of Public Transport.
- To reduce the level of air pollution created by motor vehicles.
- To reduce the level of traffic congestion.

Stickers will be handed out to students who participate, on arrival.

Data will be collected and a golden shoe awarded to the class with the highest score.

CAMP COONAWARRA—GRADE 5—HORSE RIDING

Parents of Grade 5 students who wish their child to participate in horse riding at Camp Coonawarra must pay for this activity NO LATER than tomorrow, **Friday 19th May** 2017.

If consent and payment is not received on Compass by the end of school tomorrow, your child will miss out.

FIRE TRUCK VISIT

Last Friday our Foundation students were visited by the local Metropolitan Fire Brigade.

Strategies for parents as referred to in the DET website:

<http://www.education.vic.gov.au/about/programs/bullystoppers/Pages/parentchild.aspx>

Talk to your child about the tips and advice offered on the student section of this website (<https://kidshelpline.com.au/>)

Give them the Kids Helpline telephone number 1800 55 1800 to use if they ask to talk to someone other than the school, or you don't feel able to support them.

CHILD SAFETY: Protecting children from abuse is our responsibility.

Ivanhoe Primary is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making.

Ivanhoe Primary has zero tolerance for child abuse.

Ivanhoe Primary is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability.

Every person involved in Ivanhoe Primary has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

TOURNAMENT OF MINDS 2017

Following on from last week's information about Tournament of Minds (TOM), I will meet up with interested students next week for some intro activities and details about the program.

There may need to be a selection process, depending on the number of interested students. After attending a TOM workshop this week, it certainly offers a number of opportunities however entering a team is also a large time commitment, both in and outside of school hours and, at this stage, we are looking at entering one team only.

NB. *Transport to and from the workshops is the responsibility of parents.

*Sessions run from 9.30 am to 12.00 pm with 4 sessions spread over 4 weeks.

*Fees for the workshops are \$ 225.00 per child.

SICKNESS AT SCHOOL

Parents are reminded to keep children home if they are unwell. School is not the place for sick children and it is not appropriate to expose children and staff to illnesses and contagious diseases. A few days rest makes a big difference. Your co-operation is appreciated.

Parents are urged to log into COMPASS to register their child's full day absence.

VISUAL ARTS NEWS

Visual arts excursion

Between the 30th May and the 2nd June the grade 3 and 4 students will be attending an excursion at Hatch Gallery to view an Aboriginal and Torres Strait Islanders exhibition Nhalinggu Bagung. This excursion will be used to inspire the students with their art work this term, culminating in an exhibition in term 3. They will be going during their 50 minute art lesson. Please check compass for excursion notice as parents' permission is required for this excursion. Parent assistance is also required to walk the students to and from the school and the gallery. Please confirm with the students classroom teacher or the art teacher if you can attend. There is no cost for this excursion.

A lot of students have started the school year without an art smock. It is essential that all students have an art smock at school as art materials can easily stain school clothing. A large old shirt is acceptable as a smock. Please make sure your child's smock is clearly named. The smocks are kept in a box in your child's classroom.

All parents are welcome to visit the art room during their child's art lesson or after school.

Gill Dowker and Vicki Lamont.
