

## Transition

Welcome to Ivanhoe Primary School. We are so excited that you have decided to begin your child's primary school education at our school. We provide a comprehensive transition program in Term 4 so that new students and their families can become more familiar with the learning environment.

Our Foundation Transition program includes:

- Virtual tours of the school and classrooms-If you would like to book a virtual school tour contact the office to make a booking.
- Transition information session for parents and carers
- 3 transition sessions for children and concurrent information sessions for parents and carers
- For many families in 2021 transition to school will look different than it has in previous years due to COVID-19. At this point in time we will be planning for two Transition session settings. The first will be that Transition sessions and information sessions will occur onsite. The second will be that Transition sessions and information sessions will occur online. We will communicate this to our families when decisions are made.

### Transition Orientation Dates:

**Session 1- Wednesday 13<sup>th</sup> October – 11:00-11:30am**

**Session 2- Thursday 11<sup>th</sup> November – 9:15-10:00am**

**Session 3- Tuesday 14<sup>th</sup> December – 9:15-10:00am – MEET THE TEACHER for 2022!**

During these transition sessions, your child will meet some Foundation teachers and participate in classroom activities. Your child will be encouraged to join in various tasks and will experience working in/seeing a Foundation classroom. Sessions may occur onsite or online.

This year our Foundation Information Night will be held on **Monday 13th December at 7:00pm**. This session will provide you with information about your child transitioning into school. You will have an opportunity to meet the 2022 Foundation classroom teachers.

If your child is unable to attend any of the transition sessions at Ivanhoe Primary School, please email the school.
