Jazz Incursion report by James R and Andy S. 6P

The Jamming of the Jazz band

On Tuesday the 29th, a jazz band rocked grade 5 and 6 IPS students in an amazing performance. Listening to different types of jazz was very interesting, and everyone loved the drummers 'beat making' activity. This was where students ALL got involved. A funny moment at the start was where some people from the audience got to give emotions to the members of the band, and Justin (the guitarist) had the emotion 'crazy' for his. He did an amazing solo while rolling around on the floor! We all loved it, and cannot wait for next terms performance.

Orchestra wins silver

Very well done to Liz Bonetti and all the fine music teachers who took our orchestra to the Victorian Schools' Music Festival on Monday and won silver. The teachers' extra rehearsals, including workshops on the weekend earlier this month to prepare our students paid off. The orchestra has 58 members and it is testament to the students' commitment that they performed so well. Congratulations to all involved.

Cross Country Champions

Congratulations to all 32 entrants in the District Cross Country. Exceptional efforts by every runner and well done to those who go through to the next round. Looking forward to hearing / reading a full report shortly but in the meantime a couple of great pictures that captured the spirit of the day. Thank you Mr. McKay for leading the training and managing our students on the day. Thank you parents for assisting with the driving and organisation and Alison Read for photography.

Working Bee Yr 5 families and friends. Sunday 3rd June.

Come along to the working bee / sign in and go in to the draw for **\$100 dinner voucher to the Lobster Cave**. As always there will be plenty to do from gardening, simple maintenance to general tidy ups. There will be some brand new bike racks to assemble as well. As usual, Mr. McKay and Mr. Anderson will direct the tasks on the day.

Post Education Week

It was fantastic to have so many visitors coming to talk to our students and see our programs in action on Open Morning. Our JSC and House Captains were fantastic ambassadors for our school and we received a great deal of affirming feedback regarding their commentary on the tours they conducted.

The theme was celebrating the arts and the variety of activities included music, art, science, physical education, languages, mathematics and literacy. Thank you to all the staff who embraced the day and had to make allowances to timetables to fit everything in the short program.

Over the last two years our mantra has been is Curiosity! Stay Curious.

Curiosity...drives learning

Our aim to provide an inspiring environment where students are valued and encouraged to succeed and reach their potential. Our School Values are Confidence, Independence, Persistence, Resilience and Respect not just for each other but also for ourselves. These aren't words - but actions that we endeavour to bring to life and strive to put into practice.

Ivanhoe Primary School encourages the development of the whole student. Our aim is to support learners in becoming curious, reflective and critical in their thinking as global citizens
